The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Bernalillo Wastewater project in fiscal year 2026. The entity to receive funding for this project is the Town of Bernalillo, located at 829 Camino Del Pueblo, Bernalillo, NM 87004. The funding would be used for the construction of a new Main Plant Structure (MPS) and concurrent construction of sewage treatment system improvements at the Wastewater Treatment Plant (WWTP).

The project is an appropriate use of taxpayer funds because its operation maintains public health standards and compliance with regulatory requirements, safeguarding the community's well-being and environmental sustainability.

The project has a Federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie A. Stansbury
Member of Congress
