Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Behavioral Health Clinic Expansion. The entity to receive funding for this project is the Behavioral Health Clinic Expansion, located at 5608 Zuni SE, Albuquerque, New Mexico 87108. The funding would be used to Fund the First Nation Community HealthSource (FNCH) is requesting funding to expand its behavioral health site to include medical, dental, cultural wellness/Traditional Healing and an array of support services to address the holistic care need of Albuquerque's urban Indians and other underserved populations. FNCH is requesting \$1 million dollars to aid in this initiative to cover the construction and design-related costs. It is anticipated that when this project is fully operational, it will increase access annually to integrated holistic care services to more than 15,000 community members who are without a medical, behavioral health or dental home. Services will be available to individuals of all life cycles including adults, children, youth, and families.
