The Honorable Mike Rogers  
Ranking Member  
Committee on Armed Services  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Smith and Ranking Member Rogers:

I am requesting funding for Emera Technologies at Kirtland Airforce Base in fiscal year 2023. The entity to receive funding for this project is Kirtland Airforce Base, located at 2050 Wyoming Blvd. SE, B20684, Kirtland AFB, NM 87117.

The funding would be used for to to enable the expansion of an existing microgrid demonstration project on the grounds of Kirtland Air Force Base, to increase installation energy and cyber resilience. Microgrid demonstration projects, like the one located on the grounds of Kirtland Air Force Base, enhance overall Air Force and Department of Defense readiness by increasing mission assurance while lowering costs to the Department and increasing cyber security resilience.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Melanie A. Stansbury  
Member of Congress
