The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Estancia Community Facility Renovation in Fiscal Year 2026. The entity to receive funding for this project is Sandoval County located at 513 Williams Ave., Estancia, NM 87016. The funding would be used to renovate a historic Works Progress Administration building.

The project is an appropriate use of taxpayer funds because it will provide a centralized space for social gatherings, cultural events, and recreational activities, fostering a sense of belonging and connectivity among residents. Additionally, it serves as a vital resource hub, offering access to essential services, educational programs, and support networks, thus enhancing the overall well-being and resilience of the community.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie A. Stansbury
Member of Congress
