Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Dog Valley Water and Sewer Project in fiscal year 2026. The entity to receive funding for this project is City of Santa Rosa, located at 424 South 4th Street, Santa Rosa, NM 88435. The funding would be used to replace the City's Water lines that due to the age and condition of the existing lines, has created many obstacles throughout the community.

The project is an appropriate use of taxpayer funds because clean drinking water protect public health standards for the citizens in the Dog Valley area of Santa Rosa.

The project has a Federal nexus because the funding provided is for purposes authorized by The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. [Clean Water Projects] OR Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. [Drinking Water Projects].

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie A. Stansbury
