Subcommittee

Dear Chairman Harris and Ranking Member Bishop:

I am requesting funding for Tractor Trailers for Food Distribution Across New Mexico in Fiscal Year 2027. The entity to receive funding for this project is City of Albuquerque located at 1 Civic Pl NW, Albuquerque, NM 87102. The funding would be used to purchase new refrigerated tractor trailers to increase Roadrunner Food Bank's fleet capacity.

The project is an appropriate use of taxpayer funds because federal investment in Roadrunner Food Bank's transportation capacity is a cost-effective and high-impact use of taxpayer funds that directly addresses food insecurity across New Mexico. By replacing aging vehicles with four new refrigerated tractor trailers, this project will significantly expand the organization's ability to deliver fresh, nutritious food to underserved and rural communities that currently lack reliable access.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. Chapter 53, which supports capital investments in transportation equipment and infrastructure to improve access to essential services for underserved communities.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

---
