Dear Chairwoman Granger and Ranking Member DeLauro,

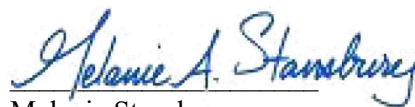

I am requesting funding for Sandoval County Sheriff Vehicles Sandoval County, NM in fiscal year 2024. The entity to receive funding for this project is Sandoval County, NM, located at Idalia, Building D, Bernalillo, NM 87004.

The funding would be used for to continue to provide emergency services to the residents, visitors and businesses of Sandoval County. This project will replace patrol, detective and unmarked vehicles that are unsafe or that have extremely high miles and are incurring costly repairs.

The project is an appropriate use of taxpayer funds because will see increased public safety in Sandoval County because the surveillance camera system will deter crime at walking trail entrances, in parking areas and in other venues. The project has a Federal nexus because the funding provided is for purposes authorized in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie Stansbury
Member of Congress
